

Earl D. Osborne Fellowship

in Dermal Pathology

This fellowship, sponsored by the American Academy of Dermatology and Syphilology, is to provide annually for one year the opportunity for study and training in dermal pathology to a postgraduate student who has completed satisfactorily at least two years of training in dermatology or one of its allied branches in accordance with the requirements of the American Board of Dermatology and Syphilology. A stipend of \$2,500 will be given to the candidate selected. The period of training will be spent at the Armed Forces Institute of Pathology, Washington, D. C., the appointment being subject to approval by the Director of the Institute. Since the American Board of Dermatology and Syphilology has approved the Institute for one year of training, the time spent will be accredited by the Board. The primary purpose of this fellowship is to train dermal pathologists. The large amount of material in dermal pathology at the Institute will be available for study, and, in special circumstances and with approval, original research may be undertaken under the direction of the chief of the dermal pathology section of the Institute.

Dermatologists in training who are interested may obtain application blanks for the Earl D. Osborne Fellowship from Dr. Hamilton Montgomery, Chairman of the Committee on Pathology of the American Academy of Dermatology and Syphilology, 102-110 Second Ave., S.W., Rochester, Minn. The next appointment available begins July 1, 1954.
